MDxpress

A new walk-in medical facility has opened in Mamaroneck that fills the gap between the doctor's office and the hospital emergency room.

It's especially good news for parents as the facility is open seven days a week including all holidays. Doctors and medical assistants on staff can treat a variety of pediatric and adult non-life and limb threatening injuries and illnesses.

MDxpress offers appointments for school, camp and sports physicals. Walk-ins are welcome, but scheduled appointments are also available. All major insurances, including workers' compensation and Medicare, are accepted. MDxpress is open from 8 a.m. to 8 p.m., Monday through Friday and from 9 a.m. to 5 p.m., Saturday and Sunday. MDxpress, 1030 W. Boston Post Road, Mamaroneck. 777-CARE (2273). www.mdexpress.com.
